EXAMPLE SONGS – CEREMONY (played as an acoustic duo)

Having performed in countless wedding ceremonies, the Moon Loungers are able to provide you with their expert opinion on which songs are suitable to perform during this part of the big day.

Please note that the following are just suggestions. You can select different songs for different points in the ceremony, or alternatively select other songs (providing they are suitable) from the Moon Loungers' other song lists. The boys will also happily perform any of the songs as instrumentals, if requested.
