EXAMPLE SONGS - EVENING ENTERTAINMENT (played as a 3-piece)

Please use this form to let us know which songs you particularly like or would prefer us not to play, bearing in mind that we typically perform **35-40 songs** in an evening.

We recommend any "don't plays" to be songs you really don't want played, as too many of these can restrict our flexibility when putting together the set list. Also feel free to asterisk any that we absolutely must play for you!
